The Piano Play-a-thon is a wonderful opportunity for students to use their musical talent for a great cause. Start planning now by helping your students make a list of their favorite pieces. Music does not have to be memorized, but it should be of performance-ready quality. Students may play classical, pop, holiday, or duet music.

Fashion Square Mall is conveniently located on East Colonial Drive, between Bennett and Maguire. Students will be playing in the performance area, in the center of the mall.

There will be a contribution box at the event for donations from the public, as well as plenty of seating for families and friends who wish to come out and enjoy the music.

Help us make this a big success by encouraging your students to share their talents in support of this wonderful cause!
